

Power Glow

ONE PRODUCT.
POWERFUL RESULTS.

rejuvenates & resurfaces

Revolutionary complex rejuvenates & resurfaces for fast visible results powered by QuSome Technology.

- Time released QuSomes continuously deliver high quality alpha & beta hydroxy acids layer by layer into the skin revealing a smoother and more youthful complexion immediately and without irritation.
- Phytomoist is used to give 400 times more moisturizing and hydrating benefits than sodium hyaluronate alone due to its unique combination of naturally derived hyaluronic acid and Betaine from beets to dramatically reveal glowing skin that is supple, balanced and refreshed throughout the day.
- Exclusive blend of superfoods, botanicals and plant stem cells combat free radicals, tighten and brighten the skin.
- Our light silky formula is unisex and suitable for every skin type to experience unparalleled antiaging benefits of health and repair at every age.
